## **RCFI Weekly Memo to Families ~ March 2, 2020**

**Gr 1 Registration packages** for September 2020 are available at the office. Please send a note in your child's planner and we will be sure to send one home in their school bag or send us an email at [rochcarrier@tvdsb.ca](mailto:rochcarrier@tvdsb.ca)

### **Reminder with regards to Parking**

The number of vehicles in and around the school property at drop off and pick up times each day is significant. In order to ensure the safety of all members of the school community and neighbourhood, we ask that families please abide by the parking signs posted throughout our school zone. We have attached a link indicating where parking is and where it is not permitted by City Bylaws for your reference

(<https://www.cityofwoodstock.ca/en/resourcesGeneral/PDFs/Engineering/Parking/Traffic-By-law-Amendments-for-School-Zones---RochCarrierFrenchImmersionMap.pdf>). We would hate to see anyone receive a ticket should the Bylaw Officer be on site during these times. Thank you for your support in keeping everyone safe.

### **Reminder with regards to Pick-up on Bus Cancellation Days:**

Please remember that on school bus cancellation days, all students begin dismissal routines gathered in the gym at approximately 3:15.

At 3:30 students who usually walk home or those who are picked up regularly, are transitioned to their normal exit onto the tarmac.

Pick Ups:

Before 3:30 please come to the office, sign your child out and collect them from the gymnasium.

At/After 3:30 if your child is a walker, or is routinely picked up, please meet your child at the primary door exit as per your normal routine.

If your child is a bus student: all pick ups are done from the gym.

Any questions can be directed to the office.

### **Student Learning - Right to Read Public Inquiry**

The Ontario Human Rights Commission wants to hear from parents, educators and students about the experiences of students having, or may have, reading disabilities. If interested in participating then please contact [legal@ohrc.on.ca](mailto:legal@ohrc.on.ca), or 416-314-4547 (1-800-387-9080)

### **Home Connections in Math:**

Technology, used effectively, can dramatically affect student learning. There are a variety of free online math tools that parents can access at home so that children can practice important math skills and concepts in an engaging way. Feel free to access the following links as a family to engage in math at home:
