## **Parent Teacher Interviews**

We hope you are able to join us to discuss your child's progress to date, and set goals moving forward. Teachers will send home letters with their availability, and we will do our best to coordinate schedules for those of you with multiple teachers.

## **Extra Items on buses**

With different school events there might be a need to send in 'extra' items to school with your child on the bus. Please ensure that you send these items in their backpack, as the extra space on some of our buses is very limited. With regards to the skating trips in particular, please ensure that skates and helmet are inside of the school bag. Loose items can become projectiles should the bus need to stop or change direction suddenly. Thank you for your cooperation in this matter to ensure student safety.

**Milk Tickets** can be purchased through CASH Online in your TVDSB Parent Portal

**Parent French Lessons** - every Thursday night @ 6:00 pm Mme Eyraud is offered beginner French lessons for parents. If you are interested in joining please email her at [e.eyraud@tvdsb.ca](mailto:e.eyraud@tvdsb.ca)

## **TVDSB News:**

Bullying Awareness and Prevention Week - Schools Climate Survey coming to all of TVDSB

During the week of November 17-23 all students from across TVDSB will be completing the School Climate Survey. Data from the survey captures important information about the culture for all learning needs of the school. The survey will be completed during class time and results will be available to us in early 2020.

Information from the survey will provide us an opportunity to be responsive to students as per the data provided to us.

During this week, Student Parliament will be running a "Say Something" campaign to give students an opportunity to spread positive messages that others in the school would benefit from.
