TVDSB News:

Bullying Awareness and Prevention Week - Schools Climate Survey coming to all of TVDSB

During the week of November 17-23 all students from across TVDSB will be completing the School Climate Survey. Data from the survey captures important information about the culture for all learning needs of the school. The survey will be completed during class time and results will be available to us in early 2020.

Information from the survey will provide us an opportunity to be responsive to students as per the data provided to us.

During this week, Student Parliament will be running a "Say Something" campaign to give students an opportunity to spread positive messages that others in the school would benefit from.
