Hallowe'en: To Dress Up or Not Dress Up

As Hallowe'en approaches, we wanted to let families know that we will be participating in Orange and Black day rather than having students wear their costumes to school. Our rationale for this decision has many layers. To begin: the risk of the costume being damaged during the day; the risk of portions of the costume being lost or forgotten at school; the appropriateness of costumes for all ages of students; not all of our students celebrate this holiday and we wish to ensure that all of our students feel represented in our school community.

If you choose to send snacks to your child's class (it is not required), please remember we are a nut free school, and be sure to confirm with the teacher what other allergies exist to ensure that everyone can enjoy safely.

If you have any questions, please feel free to reach out to either Mme Chamberlain or Mme Maddox.

Save The Date!

This year's **Grade 8 Graduation Ceremony** will take place on Tuesday, June 23rd at Woodstock Collegiate Institute. Light snacks and refreshments will be served afterwards. We look forward to hosting our graduates and their families to recognize their accomplishments in elementary school. More information will follow in the spring.
