

MISSION: TO IMPROVE OUR STUDENTS' ORAL PROFICIENCY IN FRENCH
GOAL: TO DEVELOP STUDENTS' UNDERSTANDING AND APPLICATION OF ADDITIVE REASONING

Principal: A. Maddox

Vice Principal: H. Boomen

Admin. Assistant: T. Kormendi

Trustees: Bill McKinnon, Barb Yeoman

Superintendent: K. Edgar

As we wrap up the year, we have a few reminders:

1. Please take note of the **neon** label with your report cards, it has the information that you need to **register and confirm bussing for September** (which usually occurs in mid August).
2. If your child has a prevalent medical condition (i.e., asthma, diabetes, epilepsy, and/or are at risk of an anaphylactic reaction, or other), you will need to fill out an Individualized Plan of Care (IPOC). The IPOCS need to be updated **every year, during the first thirty school days of every school year** and, as appropriate, throughout the school year (e.g., when diagnosed with a prevalent medical condition). **Parents/Guardians can initiate this document through their TVDSB Parent Portal**

****If you had prescription medicines at the school, they will be sent home on the last day of school. ** Merci, Mme Maddox and Mme Boomen**

T-Shirt Contest Winner

Thank you to everyone who submitted a T-Shirt design for our contest this year...there were so many unique and creative designs to choose from. You made the judging very challenging. The entire school population, as well as staff, had the opportunity to vote on the three finalists. Congratulations to the two runner ups **Margaret and Ekjot, and a huge SHOUT OUT to this year's winner Skyla**

Corrections

We missed one of our students who qualified for the TVDSB Valley Track and Field Finals in early June.

Liam P from our Gr 8 Extended program won the 800 m event at CASS. Our apologies for missing you in the last newsletter!

Au revoir

It has truly been a pleasure getting to know all of you and watch as the students grow and learn. We hope you all have a very safe and a very happy summer! Merci!
