

RCFI FINAL Weekly Memo to Families from Administration

MISSION: TO IMPROVE OUR STUDENTS' ORAL PROFICIENCY IN FRENCH

GOAL: TO DEVELOP STUDENTS' UNDERSTANDING AND APPLICATION OF ADDITIVE REASONING

Principal: A. Maddox Vice Principal: S. Chamberlain Superintendent: D. Wright
Admin. Assistant: T. Kormendi/A. Law Trustees: Bill McKinnon, Barb Yeoman

We made it ! Congratulations this past school year was quite the ride, and everyone should feel very proud for how well they endured the ups and downs and uncertainties that we faced, and overcame. I would like to share a post I saw on FB last night. I do not know the original author to give them credit but the words resonated with me, and I think they will for you as well.

"A big shout out to all the students who don't win awards, make honour roll, play sports, and barely make it through the school year. A big hug to the moms, dads, grandparents, caregivers, mentors, and foster parents who stick by them as they maneuver the school year. You are also worthy of a pat on the back and a FB post with people talking about how amazing you are.

Everyone isn't an Honours student or an Academic Scholar. Some students have to work twice as hard, just to be C average. There are many who battle through behaviour and learning challenges. Their achievements deserve recognition too."

We are so proud of each and every student, staff member, and family for doing their best during these times. Now it is time for everyone to exhale, and rejuvenate over the summer.

Oops, two more farewells have come up. We would like to wish both Mme Hughes and Mme Schell all the best as they begin maternity leaves over the summer months and will not be with us in September.

Technology Returns/Library Materials ... and ... Pick up report cards/personal belongings.

We are onsite both Monday and Tuesday of next week from 8:30am until 4:30 pm. Please call the office to set up a time/date to drop off/pick up your things.

IPOCs: For those students with a prevalent medical condition (i.e. Anaphylactic Allergies, Epilepsy, Asthma, Diabetes), please ensure that you review your child's Individualized Plan of Care through the Parent Portal and make the necessary changes prior to submitting it to the school for the new school year. You can also generate a new IPOC if your child has a new diagnosis or if you are new to TVDSB. These documents follow students between schools in Thames Valley, so if you are new to Roch Carrier, but were at a TVDSB school last year, it should still be accessible through the parent portal. Also, please remember that if your child requires medicine to be administered at school you must have a Doctor sign off on a PRN form that can be found through the Parent Portal as well. This form must be completed yearly. This may be something you want to complete over the summer months if you already have an appointment with your Doctor.

Every Student Belongs (Grades 1-6) Family Survey

The Thames Valley District School Board (TVDSB) is working to gain a better understanding of the diverse backgrounds of students and families across the district. To provide information that will help achieve this goal, TVDSB launched the Every Student Belongs Survey in December, 2020.

Families of children in Kindergarten to Grade 6 will now be invited to complete the survey on behalf of their children beginning on March 11th.

For more information about the survey, please visit the website: www.tvdsb.ca/everystudentbelongs

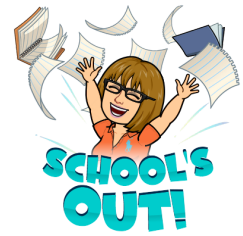

First Day of School September 7th, 2021

School Organization September 2021 as of June 25th, 2021:
