We are now in the home stretch...

We would like to share with our community that we have a staff member who will be retiring at the end of the year. After an approximately thirty year career in education, Mme Ollson will be leaving us to enjoy some well earned down time. We wish her all the best in her retirement!

The recent announcement by Premier Ford that we will remain in virtual learning until the end of June will have been received by some families as a relief, others as disheartening, and still others somewhere in between. Please remember that we may all be in the same storm but we are all in different boats with different tools at our disposal. We know you are all doing the best you can and we are here to support you throughout June and into the summer. As more information becomes available, we will share it promptly with families.

Grade 1 Registration: We are still accepting registrations for Grade 1 for September 2021. Please encourage families to reach out to the school if they have questions, or need assistance with registering.

Every Student Belongs (Grades 1-6) Family Survey

The Thames Valley District School Board (TVDSB) is working to gain a better understanding of the diverse backgrounds of students and families across the district. To provide information that will help achieve this goal, TVDSB launched the Every Student Belongs Survey in December, 2020.

Families of children in Kindergarten to Grade 6 will now be invited to complete the survey on behalf of their children beginning on March 11th.

For more information about the survey, please visit the website: www.tvdsb.ca/everystudentbelongs.

BINGO IS BACK! Back by popular demand, Mme Maddox will be hosting Bingo every Tuesday and Thursday at 2:00 for students in Gr 1-3 and then again at 2:30 for students in Grades 4-8. Teachers will be able to sign up entire classrooms to participate! Please build yourself a Bingo card or print one off from the computer. Mme will post a PDF of the cards we would have used at school in each Google Classroom for students to access. All students will be using the numbers 1-75. If your child is looking for an added challenge, build the card using the French words for the numbers rather than the digits! Each game will be for 30 mins! See you there!!

FINAL 20/21 Home and School Association Meeting is June 17 at 5:30 pm

Board Initiatives:

June is National Indigenous History Month in Canada: In June, we celebrate National Indigenous History Month to honour the history, heritage, and diversity of Indigenous Peoples in Canada. June 21 is known as **National Indigenous Peoples Day**. TVDSB web resources can be found at [First Nations, Métis, and Inuit Education](#)

June is Pride Month: TVDSB recognizes this month by having all schools in TVDSB raise the Pride Flag for the month of June. The Pride Flag promotes inclusion and celebrates the diversity of our school board and the communities we live in. We will join several other school boards in flying the Pride Flag for the month of June.
