### **Looking forward to some May flowers...**

As the weather starts to warm up, we hope everyone is able to carve out some time to adventure outside and take advantage of the sunshine that is forecasted this weekend or even just open up your windows and let in some fresh air. The routines of virtual learning seem to be well established now as we enter week four. We continue to remind families that adjustment to schedules for the wellbeing of your child/family are absolutely acceptable. This upcoming week marks the birthday for our school's namesake, Monsieur Roch Carrier. We are hoping to record the whole school wishing him a Happy Birthday/Bonne Fete to send him on Thursday. Details will be shared through your classroom teacher. Lastly, we wanted to thank those families who were able to share their appreciation of staff with us. Wednesday of this past week, we sent a flurry of emails to staff with your kind words included, and the response from staff was pure joy. Your words have impact, and as shared by staff, you have rekindled their motivation to keep going. Thank you for helping us make that happen.

### **Declarations for September 2021**

We would like to thank you for your patience with the many changes and communications about the Declarations for September 2021. We understand the rollercoaster of emotions that families will have undergone through this process.

All families should have received communication from TVDSB this week regarding the need to complete a declaration through your parent portal indicating which learning model each of your children will be participating in for the 2021/22 school year.

Please note, as per the communication from TVDSB from Monday May 3rd, that they are looking for an **EXPRESSION OF INTEREST FOR FRL-FI** September 2021. If you have already completed the declaration and wish to revisit this option, you will need to log back into the portal and change your option.

**Should you wish to choose FRL FI - you must first select FRL and then the option of FRL FI will appear.**

If you require assistance in completing this form, please contact the school and we will assist. The deadline for submission is **JUNE 1, 2021**.
