**Parent Council/HSA**

The first Parent Council and Home and School Association meetings of the year will be held virtually on Thursday October 8th, beginning at 6pm through ZOOM. Topics to be covered at this meeting include (but are not limited to: elections for 2020 school year executive, setting meeting dates, ...) Please join us. Parents of students in Full Remote Learning are encouraged to participate. The Meeting ID is: 919 7987 2506 and the link to join the meeting is <https://zoom.us/j/91979872506>

**Absences:** Please use the Attendance line @ 1-844-305-3756 when your child will be absent from school.

**COVID Protocol adjustment**

Revised (as of Oct 1st) screening tool for families: <https://covid-19.ontario.ca/school-screening/>  
The screening tool now has two sets of questions about symptoms that may yield different next steps depending on which symptoms are selected:

- The first set of questions asks about symptoms such as fever or persistent cough. Students and children with any of these symptoms will still be advised to stay home until they are able to consult with a medical provider and receive an alternative diagnosis or a negative COVID-19 test.
- The second set of questions asks about other symptoms that are commonly associated with other illnesses, such as a runny nose or headache:
  - Students and children with **only one** of these symptoms will be advised to stay home for 24 hours, after which they can return to school if their symptoms are improving.
  - Students and children with **two or more** of these symptoms will be advised to stay home until they are able to consult with a medical provider and receive an alternative diagnosis or a negative COVID-19 test.

In addition, the symptom list no longer includes abdominal pain or conjunctivitis (pink eye).

**Terry Fox Event:** We will be hosting a Terry Fox Run on October 16th. In order to comply with COVID protocols, different recess groupings will be outside 'running' at different times throughout the day. All donations will need to be done electronically through the following link, as the school is not permitted to accept any money at this time. <https://secure.terryfox.ca/regisrant/TeamFundraisingPage.aspx?TeamID=909974>

**IPOCs:** For those students with a prevalent medical condition (i.e. Anaphylactic Allergies, Epilepsy, Asthma, Diabetes), please ensure that you have reviewed your child's Individualized Plan of Care through the Parent Portal and made the necessary changes prior to submitting it to the school. You can also generate a new IPOC if your child has a new diagnosis or if you are new to TVDSB. These documents follow students between schools in Thames Valley, so if you are new to Roch Carrier, but were at a TVDSB school last year, it should still be accessible through the parent portal.

Also, please remember that if your child requires medicine to be administered at school you must have a Doctor sign off on a PRN form that can be found through the Parent Portal as well. This form must be completed yearly.

**Board Equity Initiatives for October**

Women's History Month; World Mental Health Day; International Day of the Girl Child; International Day for the Eradication of Poverty; Birth of the Báb; Birth of Bahá'u'lláh
