Farewells/Welcomes

We would like to welcome two new LTOs to the Roch Carrier family. Monsieur Dave Lewis has taken the reigns in our Grade 1 classroom (room). We would like to thank Madame Jennifer Johnstone for all of her hard work with the Grade 3 classroom she has been working with (under the guidance of Mme Eyraud) for the last few months. Those students will miss seeing your smiling face each day in their classroom. Mme Johnstone is not actually leaving us, she is simply relocating to our Grade 4 class (portable 3) starting monday.

We look forward to working with both of you.

We are continuing to work on filling LTO positions at the school and thank families and students for their patience while we seek the right fit for our classrooms/community.

COVID updates:

We are thrilled to share that HEPA Filters arrived for ALL classrooms on Monday of this past week. They have all been distributed and are now up and running in all rooms.

MILK PROGRAM !!! Youppi, it is back

We are happy to announce that our milk program will be starting soon, with support from an amazing group of parent volunteers! For the next couple of months, we will be offering again a choice of white or chocolate "PurFiltre" milk at the cost of \$1 for a 237mL jug.

Families interested in participating in our Milk Program can purchase "Milk Tickets" through the Cash Online program. Please note that cash or cheques will NOT be accepted at school. Milk tickets can be purchased online in increments of 10 (e.g. 10, 20, 30, etc.), on a weekly basis or as needed. Please see the attached memo from Mme Corina for more information.

Tickets purchased in previous years will be accepted.

Graduation

The school team is working on sorting out some initial details for our Graduation Ceremony for the end of the year. As we finalize those initial details, there will be communication with families of our Graduates.

Transition Planning for second FI school

The team met for the first time this past week. It was a great meeting and Roch Carrier has organized a Dominos Pizza fundraiser for this week. The flyer was sent out yesterday. I will attach it to this email as well. Fundraiser runs from Sunday April 10-Thursday April 14. All you need to do is ask them to support the RC dual track fundraiser when you order pizza this week !!

Also, the Oliver Stephens school will be hosting an open house in early May for their French Immersion families. More details to follow.

Please join us at the Home and School meeting this week (Thursday night) for a more detailed list of the information that was shared.
