### **Transition information re: Oliver Stephens**

There were some questions about how the transition occurs for the students who are moving from RCFI to OS for September 2022. Absolutely no paperwork is needed from families to make this transition happen, we will do all of that at the school level. However, if your student is **currently in Grade 7** and would like to take advantage of the **grandfather clause** to remain at RCFI for their grade 8 year, there is a single document that needs to be completed by families. You can obtain this document from the secretaries by simply give them a call or sending them a quick email. **DEADLINE is FEB 15**

**Parent Transition Committee** has been formed. Brian VandenBoomen and Rhonda Crouse will be the representatives from Roch Carrier.

### **Safe and Inclusive Schools (SISP)**

February has been a very busy month! We have been celebrating diversity and developing cultural awareness over the past few weeks and there is still more to come. As you know February is Black History Month. We have been highlighting significant contributions to Black History, not only on a daily basis in the morning announcements, but classes have been participating in many activities as well. RCFI is also following, studying and participating in the Beijing 2022 Olympics, either virtually or physically in our very own phys ed classes! February is also host to a fantastic cultural event that is a little closer to home - Le Carnaval de Quebec. Students have been enjoying exploring the many resources, websites, songs, dances and traditions of this 128 year old French-Canadian event!

### **Dates to Remember:**
