News:

We have made it through another week! We hope you are able to find some time to get outside this weekend to enjoy the winter weather. Our junior and intermediate students have been enjoying their snowshoeing experience with Mme Boomen in phys ed classes this week. We were even able to get most of the grade 3s outside to try them out on the yard. Thanks Mme for organizing this activity for our students. February will bring with it more opportunities for outdoor winter fun, typically it is when we do our Carnavale! Fingers crossed that the snow continues to fall and we can host this event again this year ! Perhaps we will have a visit from our friend, Bonhomme Carnavale

COVID Protocol Updates/Reminders:

Daily Screening by students - By completing your daily screener through the TVDSB links that have been provided. Your results (able to attend, not able to attend) is sent directly to the Admin at the school. Parents/Staff do not need to do anything further.

Students who show symptoms during the day - new screener is back to the original, tighter criteria for screening. If a student is showing symptoms, we will be calling for pick up and siblings will be going home as well. Isolation time frames vary based on vaccination status.

Grade 1&2 Reading Program supported by Gr 7 & 8 students will be able to continue. We will be reaching out to families that are involved to reconfirm that they continue to consent to their child participating. We are working through the re-establishment of this initiative.

Grade 1 Information Night for French Immersion in Oxford County! Was a great success, please continue to share the information with families who might be interested. Our goal is to have as many registrations in by Feb 4th as possible to allow us to have accurate information for staffing.
