

RCFI Weekly Memo to Families from Administration March 28 Edition

MISSION: TO IMPROVE OUR STUDENTS' ORAL PROFICIENCY IN FRENCH

GOAL: TO DEVELOP STUDENTS' UNDERSTANDING AND APPLICATION OF ADDITIVE REASONING

Principal: A. Maddox Vice Principal: J. Moodie

Superintendent: D. Wright

Admin. Assistant: T. Kormendi/A. Law

Trustees: Barb Yeoman, Graham Hart

COVID updates:

Students and staff have adapted to the adjustments to the COVID protocols very well. Students are being respectful of the individual's right to choose to mask or not mask. We have students and staff choosing both options. Please look for the memo from TVDSB that came out this afternoon about reminders about COVID protocols.

Unfortunate news:

We just wanted to let families know that we did have some windows broken in our portapac this week (over night) and some technology was taken. The windows were cleaned up and replaced the same day.

Staffing:

We are working through the process of filling LTO positions in our building that have come up since March Break. We know that rotating supply teachers is hard for students, but we are doing our very best to get these positions filled as quickly as possible with French qualified teachers. Thank you for your understanding while we work through this process.

Grad Sweatshirts (for those who purchased them) went home with Grade 8s this week. It is so much fun to see them sporting them in the hallways and around the school.
