Changing COVID protocols regarding face coverings: FYI only

Government of Canada Non-Medical Mask Information Update:

<https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/prevention-risks/about-non-medical-masks-face-coverings.html>

Neck gaiters (also known as neck warmers) are not recommended because they:

- are likely to move or slip out of place
- are not well secured to the head or ears
- are difficult to remove without contaminating yourself

Scarves or bandanas are not recommended because they:

- are likely to move or slip out of place
- are not well secured to the head or ears
- do not cover the nose, mouth, and chin securely without gaps

Friday October 29th is turning into quite the busy day.

Students are encouraged to wear Orange and/or Black to earn colour house points.

If students/families are sending in treats, please remember that they must be pre-packaged and comply with our dairy allergens for classrooms/school.

Treats DO NOT need to be brought in 3 days in advance for quarantining any longer.

Great Pumpkin Race - cross country onsite event for students in Grade 3-8. (See attached pdf for more information)

Transition News

In our last HSA meeting, there was discussion about how the school and community can assist in the creation of a bilingual library at Oliver Stephens where the dual track French Immersion program will begin September 2022.

There will be funding and support from the Board level, but families want to help. As such HSA will be working on a fundraiser for later this year dedicated to this task. Also, in speaking with Mme Alyea, the school will be sorting through our French library collection to determine what books might be available to share forward to the other school.

Safe and Inclusive School Team (SISP): One of our focus with our Safe and Inclusive School team is to focus on establishing strong relationships with all students and families to begin the school year. We have included an image from the TVDSB Safe Schools Monthly newsletter for you to explore.

Share Your Calm: Co-Regulation

Why it matters...

Students learn regulation through co-regulation with calm adults.

How does your calm create safety in your classroom?

What mountains are you facing?

Who are you leaning on?

How are you staying refreshed?

Where are you heading?
