**MISSION:** TO IMPROVE OUR STUDENTS' ORAL PROFICIENCY IN FRENCH

**GOAL:** TO DEVELOP STUDENTS' UNDERSTANDING AND APPLICATION OF ADDITIVE REASONING

Superintendent: D. Wright

Admin. Assistant: T. Vanpee

### **Renovation Update:**

Due to supply delays, our renovation is proceeding a bit slower than anticipated. This will impact the completion of the different phases. As we learn more, we will share information with families. Thank you for your continued patience while we undergo renovations.

**SouthWest Public Health Unit (SWPH):** Immunization reminder letters from the Board of Health have been received and should be coming home today, or early next week. Please forward questions directly to the Board of Health.

### **Registrations/Staffing:**

Our initial phase of staffing has been completed, and we are sitting right on the cusp of qualifying for an additional teacher. We learned how challenging this can be when allocated in September and if at all possible we would like to avoid that. If you happen to know of someone who is considering sending their students to Roch Carrier for the 23/24 school year, **please encourage them to register now** so that we can get the bump up in teacher allocation now! Thank you for your assistance with this.
