

RCFI Weekly Memo to Families from Administration June 19 Edition

MISSION: TO IMPROVE OUR STUDENTS' ORAL PROFICIENCY IN FRENCH

GOAL: TO DEVELOP STUDENTS' UNDERSTANDING AND APPLICATION OF ADDITIVE REASONING

Principal: A. Maddox

Superintendent: D. Wright

Admin. Assistant: T. Vanpee

Trustees: Dave Cripps and Leeanne Hopkin

Where has the time gone? We are heading into the last full week of school starting Monday, and there are so many fun activities in full swing in different classes, such as Art Gallery walks, and Are you Smarter than a Third Grader game shows. I wanted to thank parents and family members who have volunteered throughout the school year, especially in the last few weeks, to support the many wonderful field trips and activities that have happened. We could not offer many of these without your support. Thanks from all of the staff.

Milk Program

We have run out of milk, and with that comes the end of our Milk Program for the year. Thank you to everyone for their support. If you happen to have milk tickets left over once the program closes for the year, please hold on to them as they will be honoured next school year.

The proceeds from our milk program will be used to augment our technology at the school. Mme Corina, Mme Alyea and I are deep in conversation as to how to use the money most effectively.

I would like to thank Mme Corina and her Grade 4 class for their hard work running the program throughout the year.

Register to Ride! Bus Registration is now open for the 2023-2024 school year. This morning, STS has emailed eligible families letting them know to register for the bus by **July 15th**. STS will continue to send reminder emails to families, use social media, and other communication tools throughout June to let the community know to register. Registration is mandatory each year, for each child. Families with questions can also visit our website for [FAQ's](#) and to [Contact Us](#).

First round of Yearbooks have arrived!

Yearbooks were distributed last week. Absent students who ordered one can pick it up from the library next week. Many thanks to our grade 8 yearbook committee who created a beautiful keepsake!

News from the library:

All library books are now due back. This year we are packing up for our move, so we appreciate your help in returning outstanding books as quickly as possible. Teachers shared titles with students today. Any students whose books are not returned on Monday morning will receive individual overdue notices, followed by parent emails or phone calls by the end of the week. If your child's books have been lost/eaten/destroyed please send a note and we can let you know the replacement cost.
