

Milk Program News

We are happy to announce that our milk program will be starting soon! This year, we will be offering again a choice of white milk (237 mL cartons) or chocolate milk (237mL bottles).

Families interested in participating in our Milk Program can purchase “Milk Tickets” through the **Cash Online program**. Milk tickets can be purchased online in increments of 10 (e.g., 10, 20, 30, etc.), on a weekly basis or as needed. Please note that due to a price increase from our distributor, the cost of our milk tickets is now **\$12.50 per sheet of 10 tickets**. *Milk tickets from previous years will be accepted.*

Families can start buying milk tickets each Monday morning and will have until Sunday at 11:59 pm to make their purchase for the following week. Milk tickets will be delivered to students on the Monday following the purchase. After getting their tickets, all students are strongly encouraged to keep their sheets of milk tickets at home, and to bring only one milk ticket to school in their lunch bag for daily “purchases” of milk. During their nutrition break, students will be able to exchange their milk ticket for a milk bottle, at the office or in the portapak.

Important Dates:

- The online purchasing system will open on **Monday, October 17th**.
- The first round of milk tickets will be delivered to students on **Tuesday, October 25th** for tickets purchased between October 17-23.
- Milk will be available to students starting on **Tuesday, October 25th**.

The students in Mme Corina’s class and a group of grade 8 volunteers are very eager to start their new job as “Milk Monitors”.

All proceeds from the milk program go towards the purchase of new technology to help support our students in the best way we can in a world that is always changing.

Merci 😊

Mme Corina
