Speed Stacking

Over the last week, Mme Boomen has run Speed Stacking cup challenges with all of her classes (from grades 4-8). There was a huge amount of record breaking times set for each grade. Congratulations to the 70ish students who BEAT everyone in their grades' times and won first place for an event (see attached) for the roster of winners.

Merci to everyone who supported our program through the purchase of Speedstacking materials (by going to <https://www.speedstacks.ca/go/>), choosing Roch Carrier and purchasing items. We get a portion of all sales back and are able to support more students with our Physical Education resources. Thank you!

Speed Stacks Group Order (Sport Stacking)
