### **Extended Absences**

Regular attendance at school does have an impact on academic success. We understand that circumstances will arise throughout the school year that require students to be absent from school during the school year. If your family will be away for an extended period of time (ie. in excess of 10 consecutive school days) please let the school know well in advance of your departure. A plan of study will need to be created for your child(ren) for work that will need to be completed while they are away.
