Exciting news... climber fundraising update

We are elated to share that we have received a substantial donation towards our climber fundraising efforts from a family in our school community. Thank you does not seem sufficient appreciation to the Byers family who has covered the remaining cost of our desired climber system. Their donation in combination with those received in the spring at the open house has taken us to the needed total of \$47860.02

I am now in the process of finalizing the paperwork for the installation to commence.

Many Thanks!

Post Halloween Lunches:

We ask families to please monitor the content of candies being packed into lunch pails in an effort to ensure that we continue to abide by the nut free policy at school. Thank you for your assistance in helping to keep all of our students safe while at school. We would also very much appreciate it if families limit the quantity of candy that is packed in lunches daily for this upcoming week.
